

Important Change of Date Information for 2017-18 Choice Program Admission:

Given ongoing discussions at the provincial level regarding restored teacher collective agreement language and its implementation, the district has determined it is necessary to delay placement offers for **ALL** elementary and secondary district choice programs. This includes all K-Choice programs and all applicants that are within Britannia Elementary Catchment.

The revised date for first placement offers for all district choice programs has been changed to **Wednesday March 1, 2017.**

We apologize for any inconvenience this change of date may cause students and families.

Sincerely,

Tim Krug
Principal
