

STRATEGIC PLAN UPDATE

DID YOU KNOW?

The Vancouver School Board is now updating its Strategic Plan. The goal is to keep meeting the needs of our unique district and ensure student achievement and well-being.

The new plan will provide a clear framework for action over the next 5 years, but to update the plan effectively, **we need you!**

Over the next 6 months, a wide range of students, families, teachers, staff and stakeholders will share their ideas for the future of our District. Key questions include:

- How can we make sure that all students have equal access to quality education?
- How can we engage our students to reach their full potential?
- What role should our schools play in their communities?
- How do we set priorities and use resources most efficiently?

HOW CAN YOU GET INVOLVED?

Given that needs continue to grow, but resources are not unlimited, we need your ideas on how best to move ahead. To start, do one or all of the following:

- 1 ATTEND THE IDEAS FAIR** February 18 at Prince of Wales Secondary School. Drop-in to this fun, interactive event any time from 4 - 7pm.
- 2 COMPLETE A SURVEY** Share your key issues and priorities for the future at vsb.bc.ca/VSB2021 (available until February 21st).
- 3 CHECK OUT THE VIDEO** Go to the website to see the video, learn more about the project, and sign up for updates.

Help us spread the word! We need to hear from a range of voices and perspectives. Please share this information with your networks and encourage people to participate.
