Dear Parents/Guardians,

Re: French Immersion Kindergarten Application Information

Please see the information below:

<http://www.vsb.bc.ca/district-news/temporary-change-french-immersion-kindergarten-application-process>

For those families interested in applying for a **French Immersion kindergarten placement for 2018-2019** school year **only**, please be advised that the District has **removed Priority Registration Zones (French Immersion catchments)**. This means that parents can choose to apply to any of the 13 VSB elementary schools offering French Immersion (maximum 3 choices per student). [Applications are made online.](#)
