GENERAL \$25.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2017 – 2018 is \$25.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

** The 2017/2018 school year is the final year that school supplies will be purchased for a set fee by the school district. Starting in September 2018, parents will need to purchase items on their own, or arrange directly with a supplier to purchase supplies in a 'bulk' format. More information will be available to parents about this change.

SUPPLEMENTARY FEES

Student Agenda/Planner – \$5.00

Intermediate students (and students that may be in a 3/4 combined classroom) at General Brock Elementary will be using an Agenda/Planner in 2017 2018. School agendas/planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Performance/Activity Fee - \$60 (varies by class)

We are pleased to enrich your child's learning through a variety of performances and activities this year. This supplementary fee supports the school in bringing in talented professionals and theatrical and musical performers that align with a particular educational theme. This fee includes a variety of different activities and/or performances. In past years, the Parent Advisory Council (PAC) have been able to subsidize the cost of these events and may be able to do so again next year. If that is the case, these supplementary activity/performance fees will not be charged to families

Workbooks - \$20.00

In previous years, students in some divisions have used JUMP Math workbooks. The teachers will determine in the fall if these books will be used again for the 2017 2018 school year.

The JUMP workbook is available for purchase at the cost of \$10 per book (two books are needed for the full year). Students are not obligated to purchase the workbook, and may opt to use their copy as a reference textbook instead, meaning the workbook will be returned at the end of the school year for another student to use in the future. Students opting to use the workbook as a textbook will be responsible for ensuring that it remains unmarked and in excellent condition in order to return the workbook at the end of the year for reimbursement.

Field Studies – To be determined throughout the school year at the classroom level

Throughout the school year your child's teacher may plan supplementary learning opportunities at locations outside of the school and request monies towards entrance fees, transportation or equipment rental. Your child's teacher will communicate this information to you directly.

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for his or her educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged. If at any time there is a financial challenge, please contact the school Principal, Ms. Paget. All requests will be treated confidentially.
