

# The 2017/2018 Lord Byng Grocery Card Fundraiser Program

## It Costs You Nothing Extra!!

The Grocery Card Program is one of the main fundraisers for the Lord Byng School PAC. The great thing about this program is that it costs you nothing! The money raised last year went towards French, Science, Math, Debating, Athletics, Life Skills, Library, Graduation and much more. The money raised is used for items on the "Teachers' Wish List", which is compiled at the start of each school year.

### Here's how the program works:

You purchase gift cards for grocery stores and other merchants through this program, and the school is paid a percentage of the value of these cards. Some merchants give us back as much as 10%, so every \$100 you spend could earn our school \$10! All money comes from the merchants, so it costs you nothing extra. (See the order form for the percentages earned).

### Why participate in this fundraising program?

- Every dollar you spend on food, restaurants or other items can earn money for Byng! You all purchase groceries, so why not purchase them with gift cards purchased through this program and earn money for Byng at the same time?
- You can purchase cards every once in a while or you can set up a monthly order- so it's very convenient.

### How To Order?

1. Fill out your information at the bottom of this page. (You can also print the form from the school website.)
2. Decide what cards to purchase. Indicate the quantity of cards and total value for each card type. Provide a grand total.
3. Write a cheque payable to **Lord Byng PAC** for the total amount. Coming soon - an online payee option. Stay tuned!
4. To repeat your order, tick off specific months and provide post-dated cheques for each month you would like your order repeated.
5. **Given the administrative time involved – a minimum order of \$100 per month is required.**
6. Drop off the order form with cheque(s) attached in the Lord Byng office. All orders must be dropped off by the last day of each month.
7. Cards are ready **before the second week of the following month**. You will be notified by email when they are ready for pick-up. (ie. September orders are delivered in October, October orders are delivered in November etc. etc.)

**Any questions or concerns about this program can be emailed to Erin Davis - [davdun@telus.net](mailto:davdun@telus.net)**
