

Fashion Design and Technology

The Fashion Design and Merchandising program will nurture your creativity and ignite your desire for a career in fashion. Your new skills and experience, combined with your talent, will prepare you for further studies in the field of fashion design.

PROGRAM DETAILS

This two year program is held on Day 1s at Eric Hamber Secondary.

Applicants must have an eye for fashion and be willing to work hard. Students will:

- develop a portfolio suitable for interviews
- prepare for and compete in regional and provincial skills competitions
- participate in work experience with local designers and fashion businesses

COURSES

Textiles 11 & 12 | Fashion Design 11 & 12 | Digital Media Development 11 | Advanced Fashion Construction 12 | Fashion Design & Merchandising 12 | Work Experience 12A

Detailed descriptions of the courses can be found at:

<https://appskillshamber.com/fashion-design/>

COST TO THE STUDENT

Basic supplies required for this program will cost approximately \$200. Students will purchase fabric and other incidentals on their own.

HOW TO APPLY

Complete the Career Programs special application package and submit it to either your Counsellor or Teacher.
