

COME JOIN US AS WE PREPARE FOR THE GROWING SEASON!

This program is meant to be family oriented, and parents and caregivers will participate in activities with their child. Families can register as one or two parents or caregivers per child. Maximum of two children per one adult is recommended.

Families do not have to attend all outings scheduled, and are welcome to attend outings that work for the families spring plans.

There is no registration fee, and all outings, transportation, and activities are covered.
