

EMILY CARR ELEMENTARY - SOCIAL DIRECTORY 2018/19

Hello parents,

Each year at Emily Carr we prepare a social directory which contains the names of students, their parents and their contact information. It is designed strictly for students and parents to get in touch with each other for arranging play dates, birthday parties, learning everyone's names and building our community through parent involvement. It is not intended for solicitation of any kind and is only distributed to the families attending Emily Carr.

If you would like to be included in the Emily Carr 2018/2019 Social Directory please complete your contact information here and return it to the PAC box or email it to emilycarrpac@gmail.com by September 28, 2018.
