Happy June!

June 1, 2018

What an amazing year it has been thanks to our students, families and fabulous staff team at Champlain Annex. Our school is filled with the sounds of busy and excited children each day. The school garden is starting to grow and the children have been watching excitedly to see how their seeds are transforming each day.

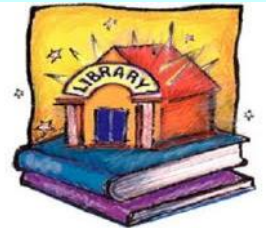

We have so many activities happening here at our school and students are thrilled to be outside exploring our beautiful green space. Burnaby Museum offered an exciting look back into history for children in divisions 1, 2, 3, and 5. Our grade 3 students from division 6 have been visiting Champlain Main School and becoming familiar with the space and participating in programs with the grade 3, 4, and 5 students there. Thank you to our Principal Nicholas Chiu and the Main school team for their warm welcome and support. Caterpillars and snails are the new science focus in our kindergarten rooms, while the grade 2s in division 5 are working on magnets. The grade 1s and 2s in division 4 have been studying the water cycle and have done extensive geography work learning about the world's continents. We had a very successful Welcome to Kindergarten event and had a chance to play and work with next year's kindergartens.

We will have some staff changes in our teaching team next year as Ms Sabrina Luk prepares to go on a maternity leave we wish her and her family our very best and will look forward to their visits. Ms. Allana Koo will be returning in September 2018 to start the school year as well. We bid a fond farewell to Mrs Angela Wong who is moving onto other teacher adventures at Kingsford Smith Elementary School. Ms Daisy Zhang will be leaving at the end of the year as well as she completes her one year temporary assignment here at the end of June we wish her all the best in her next school placement.

Have a safe and wonderful Summer. Sharon Vieira, Vice Principal

Parents please note: the week of June 4th will be the last week for borrowing books from the school library. Mrs. Pearson our librarian, would like all books returned to the school for inventory: **no later than**

School Fees for Next School Year 2018 –2019 at Champlain Annex:

GENERAL \$25.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2018 – 2019 is \$25.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

Last year's school fee notice stated that the 2017-2018 school year would be the final year that school supplies would be purchased for a set fee by the school district. Please note that for 2018 - 2019, the VSB in fact is able to continue providing this service to parents and will charge the \$25.00 supply fee.
