

If you want to check your child's library account it is very simple. All you need is his/her BCeSIS number and a computer. You can get this number from Cheriee in the library, your child's teacher, or from his/her library card.

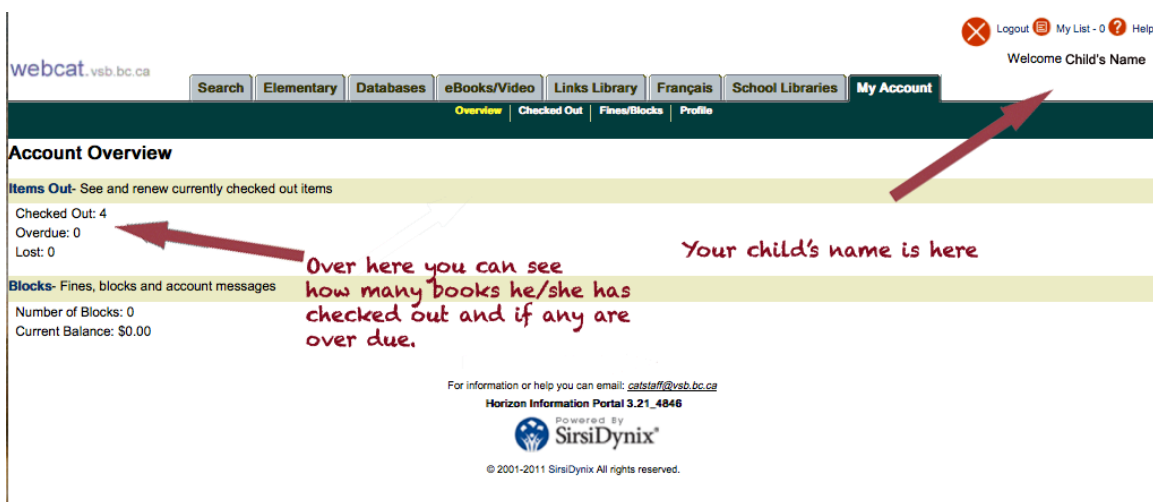

To speed things up you can bookmark this link, My Account and it will take you directly to where you can just log in.

Otherwise you will have to go through the school website, to the library page and from there to webcat. Once you are at webcat you click on the My Account tab and it will take you here.

Once here, type your child's BCeSIS number into the empty space and press enter.

Then this window opens up.

If you click on Items Out it will show you what items are checked out and by checking the due date you can tell if any are over due.
