Message from the Vice-Principal

June is always a fun and exciting month for everyone. Students will be going on field studies, participating in outdoor activities and trying to remain focused while completing their academic work in the classroom. We had a wonderful turn out at the Volunteer Tea where we said thank you to all of our parents who work tirelessly for the school throughout the year to ensure the success of our programs. We are also planning transition visits from the annex to Nelson and Lord, writing report cards and of course fun activities so that the students will remember their time here at Garibaldi as they get ready to move on to their new schools. The PAC is also planning a celebration for the school and the community. We hope to see all of you at one event or another this coming month.

Transition to New Schools

Most of our students are very familiar with Lord Nelson School and the principal Mr. Dan Knibbs as we have gone to several events, performances and assemblies throughout the year. We will however have another date where the students will have a tour and spend the recess. We will walk down to Nelson next Wednesday morning, June 6th to have a tour and spend recess there. A tour for our students attending Dr. A. R. Lord will also be organized during the third week of June.

Sports Day

Sports Day is tomorrow! Thank you to the PAC for organizing the hot lunch. Parents are welcome to come down and join us. We'll be starting at 9:10 in the gym with our cheers and structured station are from 9:20 to 10:20 on the field and in the gym. If it is raining heavily, all activities will be in the gym. Unstructured stations will take place from 11:00 until 12:00. These stations will take place in the library, downstairs hallway and the undercover area.

Library News

A few important dates to remember:

Week of June 4th to June 8th is the last book exchange. All school library books are due. Library will be closed from June 8th onward for organization and inventory.

June End

If you receive an overdue notice and you feel that your child has returned the book please have your child send me a note, or drop by and I will search the shelves. Once all library books are handed in I can begin the collection inventory.

Thanks for your support!
