Message from the Vice-Principal

It's been a very busy time here at Garibaldi this past month. Classes have been focused on our Tree of Life Learning Celebration. The children have explored trees with a variety of media and have made beautiful and powerful presentations. For Pink Day we celebrated our determination to be good friends and to be kind. We all made a pink paper shirt with a thoughtful saying on it, which was hung in the library. We have a very energetic hoop dance performance by Teddy Anderson on Monday, March 5th that you are welcome to attend with us and classroom teachers are also busy preparing report cards that will go home on Friday, March 16th.

School Organization for 2018/2019

We have started the process of establishing our enrolment projections for the 2018-2019 school year. As of February 21st, we only had 8 kindergarten registrations with 2 families accepting choice programs which left us with only 6 registrants. Garibaldi will therefore be unable to hold a kindergarten class and the six students that were registered will now attend the kindergarten class at Nelson Elementary School. All parents have been informed. At Garibaldi we are hoping to have a 1/2 combination class and a 3/4 combination class for the 2018-2019 school year but of course that will depend on final numbers in May.
