GENERAL \$25.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2017 – 2018 is \$25.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

** The 2017/2018 school year is the final year that school supplies will be purchased for a set fee by the school district. Starting in September 2018, parents will need to purchase items on their own, or arrange directly with a supplier to purchase supplies in a 'bulk' format. More information will be available to parents about this change.

SUPPLEMENTARY FEES

Student Agenda/Planner – \$10 (Grade 1-7)

Students at Gordon will be using an Agenda/Planner in Grades 1 to 7. School agendas/planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Performance Fee – \$15 (All Students)

We are pleased to enrich your child's learning through a wide variety of performances this year. The PAC generously supplies most of this cost but this supplementary fee supports the school in bringing in other talented and professional theatrical and musical performers that align with a particular educational theme. Parent support has made these opportunities possible and we appreciate your continued contribution.

Workbooks – \$15 (Only for some classes)

Certain classes will be sending home notices in September regarding special Practice and Homework Book. This material supplements the classroom math program. Students are not obligated to purchase the workbook, and may opt to use their copy as a reference textbook instead, meaning the workbook will be returned at the end of the school year for another student to use in the future. Students opting to use the workbook as a textbook will be responsible for ensuring that it remains unmarked and in excellent condition in order to return the workbook at the end of the year.

Field Studies – To be determined throughout the school year at the classroom level

Throughout the school year your child's teacher may plan supplementary learning opportunities at locations outside of the school and request monies towards entrance fees, transportation or equipment rental. Your child's teacher will communicate this information to you directly. Examples of this could be: Grade 4 & 5 Ski Camp - \$300, Grade 6 Ski Program - \$140, Grade 6 Outdoor School - \$450 or the Grade 7 Quebec Exchange - \$650.

Please note: These fee's will not be collected until September or later.

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for his or her educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged. If at any time there is a financial challenge, please contact the school Principal, (insert name). All requests will be treated confidentially.
