

Snow Event Notification

Vancouver School Board has procedures that are followed in situations where heavy snowfall might be affecting schools.

All schools in the Vancouver School Board will remain **open** if at all possible during snow events. Any district-wide closure will be decided by 7:00 a.m. at the latest. Details of district-wide or individual school closures will be announced through the media and the district website: www.vsb.bc.ca

Please note that *no announcement will be made stating that schools are open.* Only closures and delayed openings will be announced. Please do not call the school to ask if the school is operational. If you do not hear the school closure announcement, our school will be operating as normal.

Information about school closures will be sent to Metro Vancouver radio and television stations. Please check the following stations for school closure information (but do not call them):

Radio	Television
CBC AM 690 radio, 88.1 FM	Global BC
CKNW AM 980 radio	CBC TV
News AM 1130 radio	CTV BC
Fairchild AM 1470 radio	City TV

Student safety is the first priority of the Vancouver School Board. Schools will be kept open except under extreme circumstances to provide the option of attendance for all, but the decision to attend is the responsibility of each family. If you wish to keep your child at home for a “snow day” please call the safe arrival line 604-713-5403 Ext. 1 to indicate you are doing so.

Parents/guardians are responsible for their children's safe travel to and from school. If, for any reason, a parent/guardian feels that a child cannot travel safely to school, then they should make other arrangements.

During extreme weather conditions it is also common for police and other authorities to advise citizens to avoid unnecessary travel. Parents should take this advice as well. Students will not be penalized for lack of attendance under such poor weather conditions. Students are reminded to wear appropriate clothing for the conditions. When sidewalks and roads are slippery students walking to school should take extra care.

We encourage you to review your own preparations for severe weather conditions and ensure that you are familiar with the city's response procedures for those conditions. We request that you strictly adhere to parking restrictions in and around all Vancouver schools. Your child's school will contact you about any changes to driving routes that may be put into effect on streets adjacent to the school.
