

Eric Hamber Secondary School
Request for Study Block

Name: _____ Student #: _____

Grade: _____ Homeroom: _____ Date: _____

I understand and agree to abide by Eric Hamber Secondary School policies regarding study blocks, including:

- Registering for a study block requires the permission of parent/guardian and counsellor.
- A study block is for the purposes of studying. It is not a “free” block.
- Students on a study block are expected to be in the Cafeteria or Learning Commons. Students in the Learning Commons should sign in when they arrive.
- A study block is not eligible for Honour Roll and Passport to Education calculations.
- This form may be used by Grade 12 students to request one study block. Students in other grades or students who are requesting more than one study block will also need to schedule an interview with the appropriate Grade administrator.

Student Signature: _____

I support this request for a study block and I have verified that having this study block will not interfere with this student’s graduation plan.

Parent/Guardian Signature: _____

Counsellor Signature: _____
