## SUMMER SCHOOL GUIDELINES

DATE: \_\_\_\_\_ STUDENT#: \_\_\_\_\_ GRADE:

SURNAME: \_\_\_\_\_ FIRST NAME: \_\_\_\_\_

STUDENT EMAIL: \_\_\_\_\_ STUDENT CELL #: \_\_\_\_\_

**An Eric Hamber student, who plans to attend summer school, is responsible to inform his/her counsellors as soon as a decision to attend summer school is being considered.**

It is important that this Eric Hamber student realizes:

- 1) By attending summer school, there is no guarantee that I will necessarily be able to take the next level of the course in the regular school year (preference in these courses will be given to senior students and those requiring courses for graduation & post-secondary entrance);
- 2) If I do not complete a summer school course or if the course is failed, there is no guarantee that I can re-take the course in the regular school year;
- 3) I may not be able take a summer school course if my teacher (in that subject) does not support this request.

I have registered in the following courses in summer school including online:

1. \_\_\_\_\_  completion  
 Remedial
2. \_\_\_\_\_  completion  
 Remedial

I \_\_\_\_\_ have read this agreement in its entirety and accept the conditions regarding summer school guidelines at Eric Hamber Secondary School.

I understand that if I fail to meet these guidelines, I might not be enrolled in my first choices of course section.
