Re: Acknowledgement of the VSB Acceptable Use of Technology Policy

To: Parents/Guardians of Kindergarten to Grade 7 students

On April 18, 2016 the Vancouver Board of Education approved a new policy “Acceptable Use of Technology” (AUP). All Vancouver School Board (VSB) students are required to review and acknowledge this AUP in September 2016. For your reference, the official policy and regulations are on the VSB website: <http://www.vsb.bc.ca/district-policy/ai-acceptable-use-technology>.

Interpretations of this policy have been created for Grade K–3 and Grade 4–12 students. We ask that you review the attached AUP form with your child and assist them with understanding what is expected of them when using technology for their school work. We also ask that you and your child sign your names with the current date to acknowledge your understanding of the information presented. You can review the AUP documents here: <http://govsb.ca/aup>. This acknowledgement is only required once during your child’s K-12 education.

If you have questions or concerns about the Acceptable Use of Technology Policy, please feel free to contact me using the information listed below.

Sincerely,

Krystyna Niziolek
Principal
