

SUMMER CAMP JULY 16-20

Geering Up!

*UBC Engineering & Science for
Kids*

What: A fun and engaging STEM program (Science, Technology, Engineering and Math) for grades 1-6. Only \$80 for the full week!

Where: Hastings Elementary School

When: July 16 - 20 (Mon – Friday) 9 am – 2:30 pm

Who: Two programs for either grade 1-4 or grade 4-6. Each program has 25 spaces only.

How: Each camp has two university instructors and high school Junior Instructors (volunteers) assigned to it with a maximum of 25 kids per group. We require Criminal Record Checks for all of our paid staff, and our staff are trained in Emergency First Aid & CPR-C or higher.

To register: Ask for a registration form from the office. Completed forms and payment can be submitted to Templeton Secondary main office until June 15 or the program is full. First come, first served.

Questions? Contact Community Schools Coordinator, Gavin Clark at: gdclark@vsb.bc.ca

GEERING UP Program!

Geering Up UBC Engineering & Science for Kids is a non-profit organization with the mandate of promoting science, engineering and technology to youth across British Columbia. Geering Up is designed, organized and operated by UBC students. We endeavor to show program participants how fun, exciting and useful engineering and science can be.
