• **FREE ADMISSION (LIMITED SPACE)** •

The Ice That Breaks the Night is a poetic play that focuses on some of the dramatic events and dynamic characters of the Titanic. You will be immersed into the world of the Titanic from when you first arrive to the performance in the gym. Actors portray not only real people from the ship but also take on being a living Iceberg and Ocean.

DIRECTED AND ADAPTED BY SUSAN BERTOIA • PRODUCER / MANAGER: TINA LABARCA
