Dear Parents/Guardians of Grade 12 Students:

This is an exciting time of the year for our grade 12 students and their family. Below is a list of important dates to take note of as we prepare to transition our students to life after high school. We will be reminding grade 12 students to keep their focus and energy towards their studies. This can be particularly challenging at this time of the year and we ask that parents help by communicating the same message to their children. I look forward to seeing many of you at the graduation ceremony.

Grade 12 Important Dates:
