Dear Laurier Community,

A big welcome back to everyone after a well deserved Spring Break. I trust that, despite the rain, it gave everyone time to re-energize for the months ahead. The S.O.A.R. theme this month is **Support**. With this in mind, our Gr. 7 Me to We Committee will be focussing on “Random Acts of Kindness.” As a school community we continue to define, teach, and model the qualities we would like our students to have. I can’t think of a better way to kick off our last semester together than working as a community on this simple yet powerful concept. As one author suggests: *“Unexpected kindness is the most powerful, least costly and most underrated agent of human change.”* (Bob Kerrey).

In that vein I would like to take this time to give my most sincere thank to all of the wonderful volunteers that make up our Parents Advisory Council. Through their never ending support we were able to add an additional iPad Cart to the school, run incredible learning opportunities such as Earth Bites and offer community learning events such as our Safe Online Learning event in February. Their continuing support, kindness and generosity are at the heart of all we do at Laurier and as a school community we truly appreciate everything they do.

Risha Golby
