GENERAL - \$25.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2018 – 2019 is \$25.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

Last year's school fee notice stated that the 2017-2018 school year would be the final year that school supplies would be purchased for a set fee by the school district. Please note that for 2018 - 2019, the VSB in fact is able to continue providing this service to parents and will charge the \$25.00 supply fee.

SUPPLEMENTARY FEES

Student Agenda/Planner – \$5.00

Students at L'Ecole Bilingue will be using an Agenda/Planner in grades 1 to 7 School agendas/planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Performance Fee – PAC sponsored

We are pleased to enrich your child's learning through a wide variety of performances this year. This supplementary fee supports the school in bringing in talented and professional theatrical and musical performers that align with a particular educational theme. Parent support has made these opportunities possible and we appreciate your continued contribution.

Workbooks – from \$6.00 to \$15.00

This year, students in divisions 10, 11 and 12 will be bringing home a Grammar / Cursive Writing Practice and Homework Book. This material supplements the classroom Language Arts program. Certain divisions may supplement the Math Program with a Math Workbook.

These workbooks are available for purchase at the cost of \$6 (Cursive) and \$9 (Grammar). Students are not obligated to purchase the workbooks and may opt to use their copy as a reference textbook instead, meaning the workbooks will be returned at the end of the school year for another student to use in the future. Students opting to use the workbooks as a textbook will be responsible for ensuring that it remains unmarked and in excellent condition in order to return the workbook at the end of the year.

Field Studies and Activity fees: To be determined throughout the school year at the classroom level

Throughout the school year your child's teacher may plan supplementary learning opportunities at locations outside of the school and request monies towards entrance fees, transportation or equipment rental. Your child's teacher will communicate this information to you directly.

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for his or her educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged. If at any time there is a financial challenge, please contact the school Principal, Natalie Morissette. All requests will be treated confidentially.
