Principal's Message

Thank you for an outstanding year. I am truly thankful to be part of such a wonderful community.

I would like to thank all the staff for their hard work and dedication to AR Lord School. I feel very fortunate to be a part of such an amazing team. The staff and I would like to thank the PAC and particularly the PAC executive, for helping to bring programs, events and materials that augment all children's school experiences. Your support and dedication to our school is greatly appreciated! Finally, we would like to thank all the Lord students for continuing to make us proud each and every day with your kindness and acceptance. Lord truly is a great place to learn!

I would like to wish all our grade 7 students the best as they begin their new journeys. Along with the Grade 7 students we are also saying goodbye to a few students and a few staff members as well. We would like to thank Ms. Sidhu, Ms. Willis and Beata for all they have done and wish them the best in their new positions. As well, Amanda and Courtney will be off at the beginning of the school year pursuing their own education. We hope to see them back. We will miss all of you. Changes over the summer holiday may occur so stay tuned for our September newsletter.

We have an amazing new A.R. Lord logo. Thank you to all the students that submitted artwork. The logo was created using several components from many of your ideas. Look for some opportunities in the new school year to purchase Lord spirit wear.

The first day of school will be Tuesday, September 4. Students in grade 1 – 7 will attend for only one hour (9:00 – 10:00 am) on the first day and all day for the remainder of the week. Students will return to their June classroom for the first week. New Kindergarten students will proceed as per their staggered entry schedule they were provided. Kindergarten parents will be signing up for an interview time with a Kindergarten teacher. We are working hard to have students placed in their new classrooms by the end of the first week of school. Brand new students in Gr. 1-7 will meet in the library. This will be dependent on the amount of movement over the summer holidays. We are almost filled to capacity, and if this remains the case, there is little to no room for movement and we can proceed into classes more swiftly. A reminder to parents that have made educational requests, although all the requests were given consideration it may not have been possible to accommodate all requests. Teachers work hard to determine the best educational setting for all students.

Please make sure you complete a Notice of Late Return form if your child(ren) will be away at the beginning of the school year.

On behalf of the A.R. Lord staff, I we would like to wish all of you an amazing Summer break. See you in September.

Sincerely,
Margie Trovao
Principal
