

April 27, 2018

Dear Parent/Guardian,

As part of our focus on school effectiveness, Magee Secondary School will be participating in an online school survey for students – OurSCHOOL.

OurSCHOOL is an online survey that allows students to give their feedback and share their voices on their school environment, experiences at school, and any school improvement programs. During the May 8-9 all students will be given the opportunity and time to participate in this survey during regular school hours. They are encouraged to complete the survey, but may choose not to as it is completely voluntary. Students who agree to complete the survey will be given a random username and password to access and complete the survey. Students' names cannot be linked to their responses which allows it to be completely anonymous. Results will show all student scores combined together – it is not possible to single out individual students in the results.

The student survey will be completed electronically and will require approximately 35-40 minutes to complete. The student survey Measures include such topics as emotional and social well-being, physical health, and behaviours and attitudes linked to student success. The survey also allows students to give their thoughts and feedback in open-ended question responses.

OurSCHOOL was created by The Learning Bar, based on the work by Dr. J. Douglas Willms. Dr. Willms is widely known nationally and internationally for his work on educational monitoring systems, including the Programme for International Student Assessment (PISA) of the Organisation for Economic Cooperation and Development. Since 2004, OurSCHOOL has quickly grown to become Canada's largest national school survey.

If you would like more information, please contact Kelly Egilsson, Vice Principal at kegilsson@vsb.bc.ca
