

*The student job that can  
kick-start your career.*

## *Join the Coast Capital Savings® Youth Team.*

### **It's not just a job, it's a starting point**

We know youth get it. Just because you're young, doesn't mean you can't be taken seriously. Getting interesting and challenging work experience is important for any student. That's one of the reasons we created our Youth Team. As a Youth Team member you'll:

- Work part-time in a branch as a Member Service Representative. You'll go through some extensive training so you're prepared to deal with members and handle financial transactions while being part of a branch team.
- Represent Coast Capital Savings at community events.
- In addition to your paid work, you'll complete 25 volunteer hours focusing on a "for youth, by youth" approach to teaching financial literacy.

### **More than just money**

Our Youth Team offers much more than just a typical part-time job. You'll be gaining valuable skills that will get you ahead in life and in your career. You'll meet and work with other enthusiastic students just like you. And of course, you'll be paid for your time. How cool is that?

Being on the Youth Team is a job that requires you to be professional, trusted, friendly, and helpful to your team and our members. You'll also gain skills which include:

- Leadership
- Community relations
- Teamwork
- Financial literacy

### **It's even more fun to have on your resumé**

At the end of your year on the Coast Capital Savings Youth Team you'll have:

- Some money in your pocket
- Knowledge about the real world of banking
- Amazing, fun memories
- New friends
- A unique job experience

### **A commitment from both of us**

If you join our Youth Team, we'll commit to training you, paying you, and making sure you have an amazing experience. In return, we ask each Youth Team member to have a commitment to reliability, dependability, and punctuality. After your academic school work, this needs to be your #1 priority.

If you're a student entering grade 11 or 12 in September 2016, and live in Metro Vancouver, the Fraser Valley, or Greater Victoria, you're eligible\* to apply. Do you want to find out more about this unique opportunity, or apply online?

Just visit [coastcapitalsavings.com/youthteam](http://coastcapitalsavings.com/youthteam).  
Applications close on March 31
