QUOTE OF THE MONTH

The great person shows their greatness by the way they treat the little person.

***We live, work and learn on the traditional lands of the Musqueam, Squamish and Tseil-Waututh Coast Salish people.
We wish to acknowledge the history of our neighborhood and community as we have all benefited from the richness of their teachings.***

PRINCIPAL'S MESSAGE

January has melted into February and although we are experiencing many wet winter days, we can all breathe a sigh of relief as we start to see gardens sprouting and early blossoms starting. Just a reminder that we send our students out rain or shine so they need to come dressed for any weather; also, if your child tends to get wet outside (you know who you are!) to please send along a change of clothes that we can keep in the classroom for that eventuality. We have an exciting and busy month ahead with celebrations taking place for 100s day, Valentine's Day and Lunar New Year. Maquinna students are busily learning about money, estimation, robotics, and many other topics. I encourage you to continue to stay in contact with your child's teacher as home-school partnerships are our strength-please don't feel you need to wait for formal reporting periods to connect.

With respect,
Bruce

MOVING??

It's hard to believe but we are already well into the process of planning for the 2018-19 school year. If you plan on moving or attending elsewhere next year, could you please let the office know as soon as you possibly could so that we can start firming up our numbers for planning purposes. A form will be sent home with your child soon. Thank you!

13. If you could change one thing about your day, what would it be?
14. (For older kids): Do you feel prepared for your history test?" or, "Is there anything on your mind that you'd like to talk about?" (In my opinion, the key is not only the way a question is phrased, but responding in a supportive way.)
