Windermere Gr. 7 Parent Info. Night

Tuesday Nov. 28th 6:30

Information notices from Windermere will be coming out soon but as I have had some questions wanted to let you know the date of the Windermere Parent Night. This is for EMB and regular stream Grade 7 students and information will be provided in regards to deadlines/ programs and registration. As this is our first year for EMB students transitioning to High School this is the night for parents to attend. There is not a separate night for the EMB program. EMB students will be transitioned to the Grade 8 EMB program unless they choose to apply and are accepted to another High School/Mini-School at which time they will be transitioned to the school/program they were accepted into.

If you have any further questions please feel free to contact me at Norquay.
