September 2017

Acknowledgement of the VSB Acceptable Use of Technology Policy 2017 - 2018

To: Parents/Guardians of Grade 8-12 students

On April 18, 2016 the Vancouver Board of Education approved a new policy "Acceptable Use of Technology" (AUP). All Vancouver School Board (VSB) students are required to review and acknowledge this AUP in September 2016. For your reference, the official policy and regulations are on the VSB website: <http://www.vsb.bc.ca/district-policy/ai-acceptable-use-technology>.

An interpretation of this policy has been created for Grade 8-12 students. Your son or daughter will be provided with this AUP form by their home room teacher. By signing they acknowledge their understanding of the AUP and what is expected of them when using technology for their school work. You can review the AUP document here: <http://govsb.ca/aup>. This acknowledgement is only required once during your child's K-12 education.

If you have questions or concerns about the Acceptable Use of Technology Policy, please feel free to contact me using the information listed below (email contact is preferred).

Sincerely,

Kal Gill
Principal
