Parenting Teens in a Digital World 数码世界中父母对青少年的引导

Join us to review the use of internet and technology among youth (and adults), explore the idea of cyber-addiction, and the role that parents play in modeling balanced lifestyles. We'll consider:

- What's going on with internet use? What is healthy?
- How to guide our children in digital life?
- What are the effective ways to communicate with teens?

让我们一起看看青少年（及成年人）在网络和科技上的使用，并探索一些网络成瘾的问题，以及父母在平衡生活方式的模型中扮演的角色。我们将会关心：

- 现在的互网络的使用是怎样？什么是健康的使用？
- 如何在数码生活中提供指导给我们的孩子？
- 什么是有效的方法与青少年沟通？
