Student Absences/Student Sign Out Procedure

Reporting Student Absences

Student safety is of paramount importance at the Vancouver School District. Ensuring student safety is a shared responsibility. In order to assist schools, we ask parents to notify schools of student absences.

If your child is going to be absent from school, please phone the school office (604-713-4694) before the 9:00 am bell. If no one is available to take

your call, please leave a message on our answering machine. You can also email queenvictoria@vsb.bc.ca.

Student Sign Out

When you pick up your child during the school day, please ensure that you sign them out at the school office. If you do not sign out your child, they will be unaccounted for, and the school will

identify your child as a 'missing' student and will commence a search of school grounds. If the school staff do not locate the child, and are unable to reach a parent promptly, the school will call the Vancouver Police Department. Therefore, clear communication is essential for ensuring the safety of your child and to prevent unnecessary searches.

Thank you for helping us keep your children safe!

QVA is Allergy-Aware!

Please note that parents are asked to avoid sending foods containing **peanut products** to school with their children due to severe allergies to these particular foods.

As peanuts/peanut butter tends to stick to surfaces, please wash your child's hands if you give them these foods for breakfast before school.

If there are questions or concerns, please contact Mr. Recsky for further information.

Thank you in advance for your cooperation.

QVA Goes Green

In an effort to reduce our carbon footprint, efforts will be made to communicate electronically. Please check our website for information, newsletters, upcoming events and other goodies.
