GENERAL \$25.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for **2017-2018** is \$25.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

**** The 2017/2018 school year is the final year that school supplies will be purchased for a set fee by the school district. Starting in September 2018, parents will need to purchase items on their own, or arrange directly with a supplier to purchase supplies in a 'bulk' format. More information will be available to parents about this change.**

SUPPLEMENTARY FEES

Student Agenda/Planner – \$10.00

Students at Laura Secord will be using an Agenda/Planner in grades 2 - 7. School agendas/planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Performance Fee – \$12.00

We are pleased to enrich your child's learning through a wide variety of performances. This supplementary fee supports the school in bringing in talented and professional theatrical and musical performers that align with a particular educational theme. Parent support has made these opportunities possible and we appreciate your continued contribution.

Workbooks – \$16.00

This year, students in some divisions will be bringing home Jump Math Practice and Homework Books. This material supplements the classroom math program.

Students are not obligated to purchase the workbooks and may opt to use their copy as a reference textbook instead, meaning the workbooks will be returned at the end of the school year for another student to use in the future. Students opting to use the workbooks as a textbooks will be responsible for ensuring that they remain unmarked and in excellent condition in order to return them at the end of the year. Students who purchase the workbooks may write in them and take them home at the end of the year.

Field Studies – To be determined throughout the school year at the classroom level

Throughout the school year your child's teacher may plan supplementary learning opportunities at locations outside of the school and request monies towards entrance fees, transportation or equipment rental. Your child's teacher will communicate this information to you directly. Secord School has a long-standing practice of offering a 5-day Grade 7 outdoor education/camp experience (\$230) as well as an 8-day Quebec exchange for our Grade 7 French Immersion students (\$300-\$500).

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for his or her educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged. ***If at any time there is a financial challenge, please contact the school Principal, Richard Zerbe.*** All requests will be treated confidentially.
