June 15 - Mid-Month Memo

Important – Notice of Late Return

If your child will be late coming back to school in September, you are required to complete a **Notice of Late Return** form before the summer holidays. Forms are available in the school office and attached. If the school cannot verify your child's attendance by **Wednesday, September 6th, 2017**, your child's space will be given to another child on the school's waitlist.

Lost and Found

Has your child lost his or her coat, lunch box, umbrella, sweater, hat gloves....we have a **HUGE** number of items in our Lost and Found!

All classes will have a chance to view the items and we encourage parents to visit the Lost and Found area, across the hall from the Multipurpose Room, to look for items your child may have misplaced this spring. All items left at the end of the school year will be donated to charity.

Calling all Library Books!

Thank you for everyone who has been hunting through their homes for library books! Last week we had over 200 books out, and today we're down to just 53 books still checked out! Please keep hunting!

We will send home cost letters by early next week for any lost books. A reminder that all library materials must be returned or paid for before report cards can be picked up!

Fun in the Sun! Kids Need Extra Protection

Summertime means fun in the sun for kids. But, it can also mean skin-damaging tans and burns. To keep kids having fun in this sunny weather, follow the 4 - S approach to sun safety.

Earthbites Year-End Feast!

On Tuesday, June 20th, all the students at Shaughnessy will have the opportunity to participate in a Year-End Garden "Tasting Feast!" Grade 7 Students will work with our Earthbites staff, gardener Pablo, and Tara, nutritionist, to prepare and serve salads and a drink to all the classes.

We would love a few parents to help with this event! Please contact the school if you are able to help, or just come in on Tuesday after recess!

All students are asked to have a plate, fork and water bottle or cup, for the feast. (Lunch containers and utensils are just fine.)

Please note that the feast is a tasting experience and all students should still bring a lunch next Tuesday.

Track & Field – Final Thoughts!

This was my first time at the Zone Final track meet and it was awesome! The whole day was really fun, especially winning first place for Shaughnessy with my team in the medley. I had a great time cheering on my teammates and friends, and I can't wait for next season. Thank you Ms. Pace and all our teacher coaches. Go Shaughnessy!
