On **Wednesday, Sept. 27th**, in conjunction with our **September Parent Coffee Club**, a special orientation to the Digital Library Resources will take place at 9:10 in the school library for parents who are interested in learning how to access these materials online. Please join us to learn how to work with these resources and see how your child can use them for research projects, current events and more.

Earthbites – Pop-Up Market – Tuesday, September 19, 2017

Hello and welcome back to school. Have you visited the garden yet? We are so lucky that the start of school coincides with a time of plentiful harvest.

This month, EarthBites will be talking about “**Preserving the Harvest**” and hosting an **after-school pocket market**. On Sep. 19 after school we will be selling school-grown produce.

We encourage students and families to bring change if they wish to purchase any items for sale. All donations will go to the purchase of garden supplies (seeds, seedlings etc).

Shaughnessy is Allergy Aware – Please NO NUTS at School

Allergy Aware School

Shaughnessy School is allergy-aware! Please **DO NOT** send food containing nuts or peanut products to school with your child. We have some students with severe allergies to these particular foods.

As peanut/nut butter tends to stick to surfaces, please wash your child's hands if you give them these foods for breakfast before school. We cannot guarantee a nut-free environment, however, and if your child does have an allergy please help them to ensure their own safety by not sharing food with others at school.
