

Internet Access for Students at Tecumseh School

- Internet access is available to students at Tecumseh School through the VSB District network
- Students are able to use Webcat on the VSB site to read books, do research and find library resources
- Online tutoring and presentations are available through the BC Ministry of Education LearnNowBC
- Students will also be going online to work on projects, play educational games and communicate via blogs, email, wikis and view the school website.

Rules of Netiquette

- The rules online are the same as the rules of face to face communication.
- Students are responsible for following the Tecumseh Code of Conduct
- Demonstrating respectful language and treatment of all peers is an expectation.
- What you post online is a digital tattoo that stays with you FOREVER. You are responsible for all of your online behaviour.

Internet Awareness

- **Only** share email address, usernames and passwords to online accounts with parents or guardians.
- **Do not reveal personal information** such as first and last name, birthdate, address, usernames or passwords to anyone online, unless directed by adult to visit a protected site (ie. LearnNowBC).
- **Never** make plans to meet a stranger over the internet.
- Do not have your picture taken for the website or the school twitter feed unless your parent/ guardian has given consent on the Media Release form and you've handed it in.
