

Kindergarten registration for children born in 2013 begins on November 1st.

All Kindergarten applicants are required to submit an application to their English catchment elementary school. This includes families who wish to apply for choice programs (French Immersion, Montessori, etc.) and/or a cross boundary placement.

The priority registration period for Kindergarten opens on **Wednesday November 1st and closes at 4 pm on Wednesday January 31st**. Students who submit an application within this priority period will be accommodated before late applicants.

When registering your child please bring:

1. Proof of residence in Vancouver
2. Child's birth certificate
3. Immigration documentation (if applicable)
4. Immunization records

If you want to apply for a Choice program or cross-boundary, you must first apply to your English catchment elementary school. Applications for Choice programs and cross boundary placements will be accepted in early 2018.

Registering at the Annex or the Main School

Tecumseh Main School and Tecumseh Annex share one common catchment area. Students who reside within this catchment area (in-catchment registrants) will receive priority for enrolment at one of the two school sites based upon available space.*

When completing a registration form parents will be asked if they prefer the annex or the main school. The district will attempt to accommodate parental preferences for placement, once available space has been determined.

At some sites there may be more in-catchment applicants than available space. In these instances, the following process will be used to prioritize enrolment:

Kindergarten Applications Received Between November 1st and January 31st

1. In-catchment Kindergarten registrants who have a sibling who is currently attending and who will continue to attend **Tecumseh Elementary (Main School) and/or Tecumseh Annex** next year **will be enrolled first at their preferred location**.
2. The names of all other in-catchment registrants will be entered into a **random draw** for the remaining Kindergarten spaces. Students will be registered at their preferred location as space permits.
3. Students who cannot be accommodated at their preferred location will be accommodated at the location that has space and placed on waitlist for their preferred location in the order in which their name is drawn.
4. Between January 31st and the second Friday in June (when school organizations are finalized), students on the ordered waitlist will be offered spaces at their preferred location as space becomes available. This waitlist will remain active until September 14, 2018.

Kindergarten Registrations Received AFTER January 31st

All in-catchment Kindergarten applications received **after** January 31st, will be registered at their preferred location, if there is space, or added to the bottom of the existing waitlist for their preferred location and registered at the location that has space to accommodate them.

Please Note: There will be no priority given to registrants with siblings already attending Tecumseh Main School or Tecumseh Annex, if they register after January 31st.

* Available Space includes physical capacity, resources, staffing, or educational programs available or planned for a school as defined by the district. (Policy Regulation JECC-R)
