

Reach for the Top National Championships 2017

Congratulations to the Templeton Senior Reach for the Top team who placed sixth overall at the 2017 RFTT National Championships from May 26 to 29.

To start the tournament, the Titans faced a gruelling 15-game marathon round robin tournament on May 27, in which they played every other team at the tournament once. After a strong start, winning three of their first four, Templeton hit a wall, losing four in a row heading into lunch break.

After lunch, Templeton caught fire and went on a roll, winning six of the final eight to finish with a 9-6 record and the sixth seed.

With that record, Templeton qualified for the play-in round, which necessitated a matchup with 11th place St Johns Ravenscourt School from Manitoba. After a close 32-28 win, Templeton faced off with third place Martingrove in the quarterfinals. Although the Titans fell short at this stage, they put on a great show.

Congratulations to Francesca Crema, Fiona Fletcher, Dexter Hine and Jacob Schoeber on their amazing achievement! And congratulations to Francesca for winning one of the four MVP awards of the tournament. All four students have made Templeton extremely proud.
