8MAY2017

Dear Templeton Parents/Guardians and Students,

Today, the Vancouver School Board announced that effective, Tuesday May 9 to June 30, 2017, I will assume the position of Acting Director of Instruction, Field Services. This role requires me to assume responsibility for several project areas and four families of schools across the school district. Ms. Rupī Samra-Gynane will assume the Acting Principal role at Templeton and Ms. Iona Whishaw has been appointed as Acting Vice Principal. Ms. Samra-Gynane, currently Templeton's Vice Principal, is very familiar with the Templeton school community. Ms. Whishaw, a former Vancouver secondary school Principal, brings a wealth of experience to support the school community until the end of June.

Although, I will not be involved in day to day operations at Templeton, I will continue to support a number of school projects and attend a number of events such as Templeton's PAC meeting on May 30 and the graduation ceremony on June 8.

The Templeton community warmly welcomed me five years ago and continues to be an environment that works hard to create meaningful, engaging learning opportunities for our students. At this time, I do not know my role after June 30 but I know I have thoroughly enjoyed my time at Templeton and I want to thank the entire community for allowing me to be part of it.

If you have any questions or concerns, please contact me via email ([adavis@vsb.bc.ca](mailto:adavis@vsb.bc.ca)) or phone.

Sincerely,

Aaron Davis  
Principal.
