Graduation Transitions: 2018 - 2019

Dear Grade 12 Students:

Welcome to grade 12! You are about to engage in one of the most exciting years of your school career, and there is much preparation you have to make before you leave Templeton and enter into the next phase of your life! The graduation transitions “course” is a four-credit requirement towards your high school diploma. You **MUST** complete ALL components of graduation transitions in order to acquire these four credits. This cover sheet would guide you and help you keep track of what you need to do.

If you have any questions, do not hesitate to talk to me about it - I’d be happy to help you. I look forward to be working with you during your final year in high school!

Mr. Leung
