Groupe Global

Groupe Global had a very successful bake sale Friday, November 24th. The swarm of customers bought enough goodies that \$342 was raised. This amount was matched by the We Foundation so it paid for six goats and will provide lunches for fourteen students for a year. Tennyson students making a difference in the world. Thanks to Mme Adrienne for her leadership.

Community Programs

Tennyson is well supported by our Community School Team. The last two weeks we had term ending presentations by our Dance program and by the Junior and Senior Choirs. Thanks to parents who were able to come out to watch their children perform.

Volleyball

This fall we have had two volleyball teams. Mme Stephanie and Mme Adrienne have coached the senior girls and M Carrier the senior boys. The teams represented Tennyson very well as they travelled to other schools and parents helped with some coaching and of course driving the teams to games. A community working together to provide opportunities for our students.

Basketball

Basketball season begins in January and there are enough students interested for us to have four teams, Junior (grade 6) and Senior (grade 7) Boys and Junior and Senior Girls. If you are interested in coaching/helping please contact M Carrier who will be organizing the staff and parent support.

Winterfest- December 8, 2017

The sign-up sheets for Winterfest were filled by the end of the first day. The excitement begins at 3:30 and student performances and the Silent Auction continue until about 7:30.

Quebec Trip

This week Mme Christine and Mme Davidson are meeting with grade seven parents about the up-coming trip. Going to Quebec is the culmination of elementary French Immersion and where students get to apply their language learning.
