Jasleen Bahia is a Grade 10 student at David Thompson who excels greatly at basketball. She has been noticed by coaches and by fellow students. Despite being younger than her teammates, she is regarded as one of the most skilled players on the Senior Girls Basketball Team. What do the adults in your life do to make playing basketball most enjoyable? I know being a basketball player can be very stressful, how does your coach help you deal with the stress?

Jasleen: The coaches devote their time and effort to making our team better. Our parents and guardians come out and support at games! Every little thing helps.

What is it like in the car ride home, after a game?

Jasleen: We usually talk about how the game went while we're driving home.
