DID YOU KNOW...

The Lunchsmart™ program provides safe, healthy food at school. The Vancouver School Board believes that sound nutritional practices help children be successful at school. A hot lunch is served most days. All menus are prepared following the Ministry of Education nutritional guidelines for healthy eating at school. **The Lunchsmart™ program does not provide special diets.** The only food available is what is on the daily menu. Please report any specific food allergies to the school office. Parents should review menu choices specific to their child's dietary restrictions and ensure their child is aware of any food items he/she should not be eating.
