GENERAL \$25.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2018-2019 is \$25.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

Last year's school fee notice stated that the 2017-2018 school year would be the final year that school supplies would be purchased for a set fee by the school district. Please note that for 2018 - 2019, the VSB in fact is able to continue providing this service to parents and will charge the \$25.00 supply fee.

SUPPLEMENTARY FEES

Student Agenda/Planner \$5.00

Some of our students will be using an Agenda/Planner. School agendas and planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner, it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Field Trips and Supplementary Learning Opportunities – Determined throughout the school year at the classroom level.

Throughout the school year your child's teacher may plan supplementary learning opportunities and request monies towards entrance fees, transportation or equipment supplies. Your child's teacher will communicate this information to you directly.

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for their educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged.

If at any time there is a financial challenge, please contact the school office or Vice Principal.

All requests will be treated confidentially.
