As the end of this year is quickly approaching, it is a time for many reflections and emotions. For me, Trudeau Elementary School has been a wonderful opportunity to explore, question and embrace new learning. Over my four years we have seen students become basketball district champions, seen students become more successful in sports, reading, writing, mathematics, social studies, science, healthy living, technology and more. I have watched students become better independent problem solvers and learned to know how to build friendships. This is certainly a time to celebrate our strong school community! I will always cherish what I have been taught by the students, staff and parents I have come to know during my time at Trudeau. It is truly the diamond of this area!

You have taught me the importance of always:

- being **reflective** of my work and learning something new each day,
- demonstrating a **caring** nature when faced with the unexpected,
- being **open-minded** because everyone has something to offer and expand your understanding,
- continuing to be more **knowledgeable** and challenging my own comfort zone of learning,
- being **balanced** by laughing, learning, celebrating, chatting, and exploring
- accepting that as a **thinker** we need to expand our horizons,
- being **principled** each day: be fair, be respectful, take responsibility for my actions
- asking meaningful questions and exploring my understanding as an **inquirer**,
- challenging myself to be a **risk-taker** by doing things I've never done,
- making sure that I am a clear **communicator** with students, staff, parents, and community members

Once again, thank you to everyone for making my time at Trudeau so memorable! Being at Trudeau has allowed me the unique opportunity to learn with all of you as a global citizen and life-long learner. I feel very fortunate to have had this privilege as I end my career as principal. Each of you has made a great contribution to my growth and learning professionally and personally! I believe that Trudeau is an important place for student learning and success. You have the spirit to succeed and be the best you can be! Good luck today and in the future!

Sincerely,

Kim Nemeth

Sports Day

It was another terrific Sports Day at Trudeau! Our Super Hero Theme was perfect as everyone at Trudeau is truly a hero. Special thanks to the dedicated PAC and the team of parent helpers for organizing all of the food for this special day! Finally, thanks to Ms. Forsyth, the staff and the high school volunteers for organizing the teams and events! It was a wonderful, fun-filled day for our school community.

Lost and Found

If your child has misplaced an item, please remember to check the lost and found in the undercover area. We have numerous unclaimed pieces of clothing, etc. waiting for their owners. All unclaimed items will be donated to charity by the end of June.

Staff changes

We wish the following staff members well as they transition to new places and new opportunities: Ms. Allison Jambor, Ms Navleen Sandhar, Ms. Jas Dhanda, Ms. Cecillia Maglaya, Ms. Cheryl Miller, Ms. Beata Sosulska, Mr. Kai Peters, Ms. Harp Dhillon, Mr. Jim Lattimer, Ms. Lorraine Del Bianco, Ms. Ainslie Kwan and Ms. Kim Nemeth.

We welcome all the new staff for 2017-2018 who will be coming to Trudeau including Ms. Angela Hughes, the new principal! Trudeau will continue to be an outstanding place of learning for everyone!

September 2017 School Opening

Tuesday, September 5th will be the first day of school for the 2017-2018 school year! Students will attend from 9:00 a.m.-9:55 a.m. All grade 1-7 students will have regular school days from Wednesday, September 6th from 9:00 a.m.-3:00 p.m. Students who will begin kindergarten in September 2017 will receive a letter in the mail during the summer with details of their school opening and special gradual entry plans.
