GENERAL \$25.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2018 – 2019 is \$25.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

Last year's school fee notice stated that the 2017-2018 school year would be the final year that school supplies would be purchased for a set fee by the school district. Please note that for 2018 - 2019, the VSB in fact is able to continue providing this service to parents and will charge the \$25.00 supply fee.

SUPPLEMENTARY FEES

Student Agenda/Planner – \$8.00 each

Students at Pierre Elliott Trudeau Elementary School will be using an Agenda/Planner in divisions 1, 2, 3, 4, 6, 7, and 11. School agendas/planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Performance Fee – \$25.00/child

We are pleased to enrich your child's learning through a wide variety of performances this year. This supplementary fee supports the school in bringing in talented and professional theatrical and musical performers that align with a particular educational theme. Parent support has made these opportunities possible and we appreciate your continued contribution.

Activity Fee – Hip Hop - \$20.00/child

This year we will be offering Hip Hop again in all divisions. Parent support for this activity was confirmed last school year and we appreciate your contribution towards this opportunity.

Field Studies and other activities – To be determined throughout the school year at the classroom level

Throughout the school year your child's teacher may plan supplementary learning opportunities either within the classroom, or at locations outside of the school and request monies towards entrance fees, transportation, supplies, or equipment rental. Your child's teacher will communicate this information to you directly as the opportunities arise.

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for his or her educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged. If at any time there is a financial challenge, please contact the school Principal, Angela Hughes. All requests will be treated confidentially.
