

Winter Break 2017-2018 Information

We have been advised by the District that there is a possibility that the Winter Break dates for 2017-18 might be changed from December 18-January 1st to December 25th to January 5th – to align with all other neighbouring districts. We expect to know for certain on January 24th, after a decision at the Board Meeting. We would recommend that you plan accordingly. Thank you for your understanding about this matter.
