**Parent Walkabout**

This is an opportunity for parents to meet teachers and to learn about classroom expectations and plans for the year. It is not the time when individual student progress is discussed. From a parent's experience, it puts a face to a name and an appreciation of their son/daughter's school day as they follow their timetable. Classes will only be 8 minutes long.

**New this year!**

We will be hosting an informal meet & greet with the parents of our grade 8 and grade 12 students. This is an opportunity to meet your child's counsellor, receive information on what to expect this year, and to ask any questions you may have before you head out on the Walkabout.
