Student-Family Portal

MyEducationBC is the student information system for most school districts in the province. An account known as a “Student Family Portal Account” has been created by the district for all students at University Hill Secondary School. This account is a **shared** account where student and parents can access: student schedules, daily/class attendance, course grades and report cards. It is imperative that you share the account information (password) as a family (with your child), as later on in the school year we will be asking your child to select their courses using their MyEd account.

This information is for grade 9 and new UHSS Students

Please use the website: <http://www.myeducation.gov.bc.ca/aspden/logon.do>

Login ID:(this is your 6-digit or 7-digit student number)

Password: Uhill\$2018

(The password is case sensitive, meaning you need to be sure the “U” is capitalized, and the “hill” is not.)

You will be prompted to enter a primary email, choose one you access often. In the future, if you forget your password, click the “I forgot my password” button in the bottom right hand corner of the log-in window, and a new password will be sent to your email.

This information is for grade 10-12 returning students.

Your login and password will be the same as the previous year. However, if your account is **disabled or you would like to reset your account** please click on the “I forgot my password” link. This feature will email your primary account a temporary password. Please note the response may take up to 24 hours.

There is a website dedicated to supporting the use of the MyEd Student Family Portal that can be accessed through this link:
