VAN HORN PAC

A BIG THANK YOU TO VAN HORNE PAC for approving the Primary Book Proposal! We are very excited to use the \$3 270 for excellent quality 'just-right books' for our early readers! The books will be organized into rotating bins to ensure that students have the opportunity to read many new books in-class and for them to be able to share these with you as part of a home reading program. Teachers are currently meeting with numerous publishers and exploring a variety of fiction and non-fiction books! Your generosity will make a huge difference in the lives of Van Horne students!

GRATEFUL

GRADE 3 STUDENTS CODING CLUB: Thank you to Mr. Jinder Aujla and Mr. Anothny Park for sponsoring Coding Club at Van Horne. The Grade 3 students are loving this club and we hope to offer it to our Grade 4 students sometime in Spring. The Coding Club takes place every Wednesday in the Library at lunch time.

PROJECT CHEF

Divisions 5 and 7 enjoyed a fantastic week with Project CHEF (Creating Healthy Edible Food). Barb Findlay and her team of Chefs and Sous Chefs transformed room 209 into a kitchen with seven cooking stations where the Project CHEF team shared their passion for fresh, local food. Through being immersed in the process of cooking, from preparation through cleanup to the enjoyment of shared meals, the students gained knowledge and pleasure in creating healthy meals. Our classes loved the cooperative learning setup, experiencing the importance of sharing roles and tasks fairly, and making decisions together. They expressed appreciation for their parents who helped in class, and recognized the efforts their families put into serving healthy meals at home. Most importantly, the students are enthusiastic about sharing their new abilities, safely, to prepare and share healthy food at home.
