PAC is going digital.

It is the goal of PAC to use digital forms of communication and move away from paper notices. This is to enable better communication between PAC, parents/caregivers and school staff. So far PAC has created its own website <http://weirpac.weebly.com> and launched PAC News, a weekly, email newsletter which goes out every Sunday eve. PAC News will be a reminder at the beginning of each school week of the events happening that week and in the weeks to come. It will also be a way for information to be shared to all parents at Weir easily and efficiently.

Please help us to reach our goal by subscribing through the Contact page of the PAC website -

<http://weirpac.weebly.com/contact.html>. Or you can email PAC directly to ask to subscribe - weirpacweb@gmail.com.
