EVENTS, ACTIVITIES AND INFORMATION

NEW BLOCK ROTATION – April 16

The new block rotation is 4,3,2,1 and begins this **Tuesday**.

Windermere Word

The *Windermere Word* is Windermere Secondary's very own student-run news publication, managed by a team of dedicated and enthusiastic students from all grades. The *Word* serves as an online platform for which students can share the work that they and their peers write. Our vision is to create a school community that is informed and actively engaged in the world of current events, as well as activities occurring at Windermere. The *Word* provides an outlet for students to voice their thoughts and opinions on the news they have and will learn about. Additionally, the *Windermere Word* also serves as a communicative platform in the school to provide students with all school events and volunteer opportunities in school and out in the community.

Grades 8, 10 and 12 Parent Survey

Windermere students in Grades 8, 10 and 12 completed a *Student Learning Survey* in early March. Each year, the BC Ministry of Education also invites all parents of these students to take a few minutes to complete a version of this survey. The parent survey is available in many languages. Simply use the link below and go to the Direct Access login (bottom right), select "39 Vancouver" and then "Windermere Community Secondary" and answer the questions. Survey feedback will be used to help inform and guide the district and school about plans for student learning and experiences. The survey is open until **April 30**.
